

AD SPACE ORDER FORM

Ad space, appearing in the back pages of the show catalogue, is a great way to advertise your store, website, rattery or memorial.

Your eye-catching design can be posted on a full or half-page of the catalogue. All designs will be printed in **full color**, to up their attention-grabbing factor and beauty.

Full page – 4.5” x 7” - \$25.00

Half page – 4.5” x 3” - \$15.00

The catalogue designers reserve the right to reduce or expand your design in order to make at least one dimension fully fit the ad space. If you have a smaller ad that you would like centered on a full page with a border, or with white space for impact, please let us know that and we will do our best to accommodate your wishes!

Example of the sort of ad you can place in the catalogue:

Simply mail your design and fee along with your show entry, or under separate cover, to:
